

BUILDING INSPECTION UPDATE

INSPECTION NOTIFICATION FEATURE

Beginning, October 15th, 2014 we will be expanding our existing notification service to notify users with a two hour window. This improved service will provide the registered users with an opportunity to be notified of the inspector arriving for the inspection with more accuracy, saving customers valuable time and money. Existing users will not need to take any action to receive this added feature; however, new users will need to register for this feature. To register, please [click here](#).

MULTIDISCIPLINE INSPECTION (MDI) PROGRAM SUSPENSION

As noted in the May announcement, the MDI program is limited to 100 applications. The application limit has been reached. The MDI program has been suspended for new building permit applications until further notice.

We are continually working on a solution to increase staff levels and reinstate the MDI Inspection Program permanently. We appreciate your patience.

For additional information regarding these services, please contact Lisa Brown at lisa.brown@houstontx.gov.
