SUBJECT:	Clarification - Certificates of Occupancy Posting				
CODE(S):	Building Code				
SECTION(S)	110.5 – Building Code				

Section 110.5 of the Building Code requires that Certificates of Occupancy be posted in a conspicuous place.

In building complexes under common ownership, where multiple buildings have a separate Certificates of Occupancy issued and are subject to damage or removal by unauthorized persons a copy shall be sufficient; provided the original is maintained in a management office located on site, and is readily available to view.

When a copy of the certificate is placed in lieu of the original, the copy shall contain a statement "This is a copy, see the management office for the original Certificate of Occupancy."
