ROOFING OVERLAY ON EXISTING ROOF

This is a request for a roofing permit to overlay an existing roof. All materials and workmanship will comply with the requirements of Chapter 15 and Appendix 15 of the International Building Code for commercial projects, and/or Chapter 9 of the International Residential Code for residential projects, including all Houston amended sections of both code versions.

THE FOLLOWING REQUIREMENTS WERE SATISFIED IN A PRELIMINARY INSPECTION

- 1) All roof deck materials are structurally sound.
- 2) The roof structure is sufficient to sustain the weight of the additional dead load of the new roofing materials.
- 3) The existing roofing is securely attached to the existing roof deck.
- 4) Roof drains and drainage are sufficient to prevent excessive accumulation of water.
- 5) Existing insulation is not water soaked.
- 6) All fire retardant requirements are maintained.

PRINT NAME OF OWNER OR PROPERTY MANAGER _____

SIGNATURE _____ DATE _____

Any change in use or change in commodities will require compliance with City of Houston Fire and Building Codes including possible structural changes to the building.
