

New Information Regarding the Multi-Discipline Inspection (MDI) Program

EFFECTIVE IMMEDIATELY

Attention MDI Program Builders and Participants:

On October 14, 2013, the MDI inspection program was temporarily suspended due to the increased volume of inspections and shortage of staff.

Since we understand the importance of the program and its value to our customers, the program will be reinstated provisionally. We will accept the first 100 new building permit applications. Once this number is reached, the program will be interrupted once again. Please note that we will continue to work on a solution to augment staff levels and reinstate the MDI Inspection Program permanently. We appreciate your patience.

For additional information regarding this temporary change, please contact Drexel Moerbe Drexel.Moerbe@houston.tx.gov.
