

New Drawings Now Available Online

~ December 22, 2014~

Our [Forms and Publications Page](#) has been updated with additional details, drawings, and examples to aide in compliance with the Houston Construction Code.

As part of this update, we have included the recently published drawing [14-05-R](#), House Anchoring, as an alternative compliance path to the anchoring provisions in the Houston Residential Code.

To view a copy of this drawing and others, please visit:
