

## **New Inspection Notification Feature Available**

We are pleased to introduce a new feature available for contractors and owners that will allow them to find out when their inspection(s) will be performed. Currently, the City of Houston allows contractors to sign up for text or email messages of inspection results.

As an additional benefit, registered users will now be able to learn the time of day the inspector will be at the job site. Morning (AM) inspections will be performed 7:00 a.m. - Noon and Afternoon (PM) inspections will be performed 12:01 p.m. – 3:30 p.m.

To register for this new service, visit <https://telework.sivell.com/con2>
