 1002 Washington Avenue, Houston, TX 77002

OWNER'S STATEMENT OF INTENDED USE

BUILDING ADDRESS: _____

CITY OF HOUSTON PROJECT NUMBER _____

CONSTRUCTION TYPE _____ OCCUPANCY CLASSIFICATION _____

DESCRIPTION OF USE _____

TOTAL BUILDING AREA (SQUARE FEET) _____

HAZARDOUS MATERIALS:

As defined in Chapter 50 of the 2012 Houston Fire Code, Hazardous Materials are those chemicals or substances, which are physical hazards, or health hazards as defined and classified in Chapter 27 whether the materials are in usable or waste condition. The storage and use of Flammable and Combustible Liquids in excess of exempt amounts shall be included.

- This building/facility **will** be used for the storage and/or use of hazardous materials in excess of maximum allowable quantities listed in the Houston Fire Code.
- This building/facility **will not** be used for the storage and/or use of hazardous materials in excess of maximum allowable quantities listed in the Houston Fire Code.

HIGH-PILED COMBUSTIBLE STORAGE:

As defined in Chapter 32 of the 2012 Houston Fire Code, High-Piled Combustible Storage is storage of combustible materials in closely packed piles or on pallets, in racks or on shelves where the top of storage is greater than 12 feet in height. This may include certain high-hazard commodities such as rubber tires, Group A plastics, flammable liquids, and idle pallets and similar commodities, where the top of storage is greater than 6 feet in height.

- This building **will** be used for high-piled storage.
- This building **will not** be used for high-piled storage.

PRINTED NAME OF OWNER _____

SIGNATURE OF OWNER _____ DATE _____

Any change in use or change in commodities will require compliance with City of Houston Fire and Building Codes including possible structural changes to the building.
