W.A.T.E.R. Fund Pledge Form

The City of Houston Water Aid To Elderly Residents (W.A.T.E.R.) Fund is a program that helps pay the water and wastewater bills of low-income elderly, low-income disabled and other low-income customers in our community. It is funded entirely through voluntary donations from generous customers like you, and every penny of your donation goes towards payment of the water and wastewater bills of customers needing financial assistance.

You may contribute in several ways to the W.A.T.E.R. Fund:

- Check the box on the front of your water and wastewater bill and return the contribution with your payment.
- Go online to www.houstonwaterbills.cityofhouston.gov and click on *W.A.T.E.R. Fund Donation*.
- Fill out this W.A.T.E.R. fund pledge form and return to the address below.

Your contributions make a significant difference in the lives of the low-income elderly, low-income disabled and other low-income customers in our community. Please contribute today and help the W.A.T.E.R. Fund bring basic water and wastewater services to your neighbors!
