

**APPLICATION FOR PERMIT TO CONSTRUCT STORMWATER LINE(S)/SYSTEMS  
DRAINAGE PLAN'S PROJECT NO. \_\_\_\_\_**

The undersigned hereby makes application for a permit to construct the following described stormwater system.

**NOTICE :** Two copies of referenced project's Public Works and Engineering approved drawing(s) are attached hereto.

LOCATION AND DESCRIPTION OF PROPOSED STORM DRAINAGE WORK
<b>SPECIFIC LOCATION :</b> _____  <u>Proposed Work As Per Public Works and Engineering Approved Plan &amp; Profile Drawing No.</u>

As shown on plans, Dwg. No. \_\_\_\_\_ By \_\_\_\_\_, Engineer, said plans being a public record on file in the office of the Director of Public Works of the City of Houston and made a part hereof by reference. The oldest currently valid (less than one (1) year old) PW&E engineering approval(s) shown on said plans is dated \_\_\_\_\_.

NAME(S) OF OWNER(S)	DESCRIPTION OF PROPERTY(IES) TO BE SERVED	AMOUNT (\$)

Applicants hereby agree to comply with all provisions, requirements and conditions of all Ordinances applicable or pertinent hereto and all such ordinances and the terms and provisions thereof are by reference made a part hereof and this application is made subject thereto.

The undersigned bind themselves to defend at their own cost and expense any suit or suits, action or actions, claim or claims or damages which may be sustained against the City of Houston for any loss, cost, expense, or damage charged or imposed upon it by reason of granting said permit and further agree to keep in good repair the refilling and surfacing necessitated by the excavation covered by this application for a period of one year.

It is also understood and agreed that this permit shall be granted subjected to the right of the City of Houston, or of any other person, entitled thereto to use that part of such public street, alley, or other public place for any purpose for which said street, alley, or other public place may be lawfully used, and the granting of any permit for the purpose of locating or placing any pipe, conduit, duct, tunnel, or other structure shall not be construed to grant to such person any fixed or vested right in such location, but all of same shall be taken subject to the right of the City or any other person entitled thereto to lay or place its pipes, conduits or other structures in or under such portion thereof over, under or across such pipes, conduits, ducts or other structures as may have been laid without cost or charge being exacted by the prior location for such use.

In consideration of the granting by the City of a permit for constructing the above described storm sewers and/or related appurtances and the use of the public properties of the City for such purpose, it is agreed that these sewers, when constructed to the City's requirements, will be public sewers, the property of the City of Houston, and without right of reimbursement by the City for any of the costs thereof.

Conveyance of any Public [ Non-"Utility District"-Type ] Storm Sewer(s) and/or System(s) [ But NOT Primarily Private Storm Sewer(s) and/or Storm Connections (Leads) ], being located within any existing Public Road Right-of-way(s) and/or Storm Storm Sewer Easements(s) Only, to the City is automatic upon City acceptance of any such City Inspected Public Storm Sewer(s)/System(s) built as per drawings having both a Public Works & Engineering Drawing No. and a currently valid (not over a year old) engineering (& private utility companies, inside the City) approvals on the same.
